“Technology and the Internet are making the world a smaller and more connected place. *The Long Tail* is the first book to explain exactly how the ability to reach niche markets creates big opportunities.”

– Terry Semel, CEO Yahoo!

“Read this brilliant and timely book…”

“…insight, wit, and style…”

– Geoffrey Moore, author of *Crossing the Chasm*

“This is all you’ll need.”

– Lawrence Lessig, Stanford Law School professor and chairman of Creative Commons

“…insightful, useful…a new view of how the world works.”

– Peter Schwartz, chairman of the Global Business Network and author of *The Art of the Long View*

“Anyone who cares about media…must read this book.”

– Rob Glaser, CEO Real Networks

“…provocative and insightful. It belongs on your shelf between *Tipping Point* and *Freakonomics…*”

– Reed Hastings, CEO Netflix

“The Long Tail is poised to become the next big catchphrase to change the world of business.”

– Time

“…insight, wit, and style…”

– Eric Schmidt, CEO Google

“Anyone who cares about media…must read this book.”

– Rob Glaser, CEO Real Networks

“…provocative and insightful. It belongs on your shelf between *Tipping Point* and *Freakonomics…*”

– Reed Hastings, CEO Netflix
